CLUB NOTES

In the fifty-eight years Manchester City have been visiting Deepdale over League affairs, they have a better record on this ground than most clubs, with no less than 15 wins in the 33 League games decided. Five have been drawn, with North End on top in the remaining thirteen outings.

Until last season's 6-1 victory by North End, the goals aggregate in the 32 League games on this ground was exactly level at 58 for and 58 against. In our 22 post-war clashes both at home and away with City, we have emerged as winners on thirteen occasions, only two draws (one this season at Maine Road) and seven wins by the Manchester club.

Their last season's win on the Maine Road ground was only their fifth against us on that lucky ground for North End, in our last seventeen Cup and League visits since February, 1928.

During the above period North End have enjoyed no less than ten Maine Road triumphs. This season at Manchester, on August 30th, 1958, we settled for a 1-1 draw in a not very exciting clash, decided, believe it or not, in heat-wave conditions that did not help the standard of play at all.

Our Visitors . . .

Founded in 1880 as West Gorton—becoming amalgamated in 1887 with Gorton Athletic, to form Ardwick F.C., one of the original members of League Division Two in 1892; changing to the now well-known Manchester City in 1894, promoted to the top flight five years later.

North End connections with Manchester City go back to friendly fixtures played at Ardwick, commencing with our first visit there on September 1st, 1890, and it was not until February 9th, 1895, that they first came to Deepdale. This was to decide a 2nd Round Lancashire Cup-tie, City then newcomers to League football. North End won 7-0, which was hardly surprising as City sent their reserve side, already being committed that day to a Football League match with Newcastle United.

Their next visit and most important so far, was for the First Round of the F.A. Cup competition, played on January 30th, 1897, when a gate of 6,000 people witnessed a very one-sided encounter which North End won 6-0.

Manchester City's first Football League game at Deepdale came on Easter Monday, April 16th, 1900, at a time when our country was deeply engaged in the throes of the South African War. North End were defeated 2-0 and relegation was a grim spectre—a fate ultimately avoided by a precious point advantage over Burnley who went down with Glossop. In the very next season (1900-01) North End were duly relegated, and Manchester City followed suit in 1901-02. They bounced back in 1902-03, and in 1903-04 season finished runners-up in League One to Sheffield Wednesday.

City were last here on September 18th, 1957, when, under the floodlights at Deepdale, they were routed 6-1. *North End:* Else; Cunningham, Walton; Docherty, Dunn, O'Farrell; Dagger, Thompson, Finney, Baxter, Taylor. *Manchester City:* Savage; Sear, Little; Barnes, Ewing, Warhurst; Barlow, Hayes, McAdams, Marsden, Fagan.

MEET THE OPPOSITION . . . .

Manchester City provide the opposition in this afternoon's Deepdale League engagement—and our visitors offer mystifying fluctuations in form this season, as instanced in their Christmas programme which in two successive days against Birmingham City produced the following anomalies in results, at Birmingham 1-6, at Maine Road 4-1.

The Sky Blue men have been unable to hit a regular winning vein, which largely accounts for their languishing at the wrong end of the League table. Away from Maine Road this campaign, City have not proved to be an effective force; their solitary victory as visitors was, surprisingly enough, as long ago as the opening day of the season last August, at Burnley.

It must be conceded that City are therefore overdue for another away success and their respectable Deepdale record to date points out the danger to North End hopes of a stimulating victory to offset the Christmas frustration.

In the visiting goal we meet the highly competent **BERT TRAUTMANN** from Bremen, Germany; he joined the Maine Road staff from non-League club St. Helens Town in October, 1949, a worthy successor to the late and great "Swifty."

Recent occupant of the right full back position has been the Salford-born **KEN BRANAGAN,** aged 28 years, with City from his junior days of November, 1948. On his left operates the youthful Welshman **CLIFFORD SEAR,** who hails from Rhostyllen, signed from Oswestry Town in January, 1957. Right half last week in the defeat of Birmingham City was the red-haired local-born **RON PHOENIX,** playing his first game of the season for the injured Roy Cheetham. Ron Phoenix has been on the Maine Road staff since March, 1950, and is 29 years of age.

The injured **ROY CHEETHAM,** born Eccles, a most promising new star performer, was 19 years of age just prior to Christmas, and after one season as

amateur, signed professional forms for City on his 17th birthday in December, 1956. Centre half **DAVE EWING** is a solid Scottish pivot of rugged qualities; he comes from Perth, a former Scottish junior player, going to Manchester in June, 1949.

Left half and stylish skipper of the side is **KEN BARNES,** a former right half of natural constructive ability. He is a native of Birmingham, produced by Stafford Rangers F.C.

On the right wing touchline we shall see the Dublin-born **FIONAN FAGAN** in action, scorer of the only City goal on their last visit to Deepdale. Equally at home on the left wing, Fagan was with Hull City from March, 1951, until his move to Maine Road in December, 1953. His inside partner is the 23-year-old local **COLIN BARLOW**—has been seen on the right wing in League games, produced by the City junior organisations, signed up for serious soccer service in December, 1956.

Centre forward last Saturday was the burly Irish thruster **BILL McADAMS,** capped five times by Ireland; Belfast-born 24 years ago, transferred to City from Distillery F.C. in December, 1953. He often plays at inside left, which brings in the latest of the Manchester City centre forwards, **GEORGE HANNAH.** Rested last Saturday, he was signed very recently from Lincoln City, but best known as a Newcastle schemer from 1949 until 1957. Born Liverpool, a former Everton amateur player and secured by Newcastle from Linfield F.C. where he made a big reputation.

Inside left **JOE HAYES,** versatile forward of several positions, a Bolton lad snapped up by vigilant Maine Road judges from Bolton Sunday School League football several years ago, already honoured by England Under-23's, and a free-scoring menace. His left wing partner is **RAY SAMBROOK,** aged 25 years, hails from Wednesfield in Staffordshire, joining Coventry City in September, 1953, actually transferred for a big fee to City on January 2nd last year, twelve months to a matter of hours, scored a spectacular goal against Birmingham City last Saturday.
